## Press Release

### Official Blue Star Service Star Banner

Councilman Alan Brundage, Council Liaison to the Veterans Organizations announced the Blue Star Banner recognition for our residents serving in the armed forces. Official Service Star Banner is made to government specification. The Blue Star Banner is the traditional way to honor the active member(s) of the U.S. Armed Forces. The banner is made of heavy satin with printed design, gold fringe and crossbar with gilt spears and gold hanging cord. The banners are 14 x 8.5 inches in size.

Councilman Brundage stated that each banner will be embroidered with the name of the resident and branch of the military in service overseas in a combat zone and displayed on the entrance wall of Borough Hall. It is planned that the banner will be presented to the Armed Forces service members upon their return home to Paramus. Councilman Brundage announced that a trust account has been established to accept donations for the project.

DONATIONS CAN BE SENT TO:  
Borough of Paramus – Blue Star Banner Project  
1 Jockish Square  
Paramus, NJ 07652

The Borough is actively searching for the names of residents currently serving in the Armed Forces. Information relative to Armed Forces service members on active duty can be sent to the attention of Joseph D'Arco, Borough Administrator.
